EUROPEAN UNION

#### *Annual Report Fundamental rights: challenges and achievements in 2010*

IJJO

The European Union Fundamental Rights Agency (FRA) has issued its Annual Report Fundamental rights: challenges and achievements in 2010. Chapter 4 is dedicated to the rights of the child and protection of children. It covers issues of violence against children, including sexual abuse and exploitation, child-friendly justice, the situation of separated children in a migration or asylum context, as well as data availability issues. INTERNATIONAL

#### *Protocol to the Convention on the Rights of the Child*

IJJO

After several years of negotiations on an international level, the Human Rights Council of the United Nations has adopted on the 17th of June 2011, the Optional Protocol to the Convention on the Rights of the Child to provide a communications procedure regarding violations of the rights of child. INTERNATIONAL

#### *EFA Global Monitoring Report: Armed conflict and education. UNESCO*

IJJO

Over 40% of out-of-school children live in conflict-affected countries. These are some of the data analyzed by UNESCO in the new edition of Monitoring Report on EFA in the world: 'The hidden crisis: armed conflict and education'. Thus, these same countries have some of the largest gender inequalities and lowest literacy levels in the world. [\[+\]](#)

### LEGISLATIVE FILE

FINLAND

The aim of the legislative file is to offer the IJJO Users all national legislations on minors in an ordered and organised way, including all laws in force, the partial reform laws as well as other laws regarding the protection of the rights of the child. [\[+\]](#)

### IJJO INTERVIEWS

SWITZERLAND

**Mr. Baptiste Viredaz. University of Lausanne. Switzerland.**

From an academic and legal stand point Mr. Viredaz has studied the development of justice for minors in Europe and current trends in terms of research into juvenile delinquency. Therefore we rely on the collaboration of Mr. Baptiste Viredaz, and more specifically on his recent work on "Federal Law on the Criminal Conditions of Minors" and the basic principles that assure the integral protection of the rights of children and adolescents. RESEARCH  
AND THESIS

platform.

SEND THESIS /  
RESEARCH

According to our main activities and objectives, the International Juvenile Justice Observatory wants to give the opportunity to researchers and PHD Students to have access to our international communication

To publish on our web site your thesis, research papers regarding juvenile justice and the situation of minors in conflict with the law, please press the following link. [\[+\]](#)

### COLLABORATION FORUM

The relationships established between the children and the media have acquired in recent years a major role. According to recent reports, the media do not always contribute to generating comprehensive views on the situation of minors, especially children in conflict with the law, and sometimes giving a limited view of the complexity situation of youngsters in conflict with the law.
