The aim of the legislative file is to provide IJJO Users with access to national legislation on minors in an ordered and organised way, including all laws in force, partial reforms and other laws regarding the protection of the rights of the child.

IJJO INTERVIEWS

Interviews with prominent professionals working for the advancement of juvenile justice and the rights of children and young adults.

RESEARCH AND THESIS

INTERNATIONAL

According to our main activities and objectives, the International Juvenile Justice Observatory wants to give the opportunity to researchers and PhD Students to have access to our international communication platform.

To publish on our web site your thesis, research papers regarding juvenile justice and the situation of minors in conflict with the law, please press the following link.
**Survey: Child Participation in Training Seminars for Adults**

Children’s experience can be very valuable for adults during training sessions on child-friendly justice, but the risks of their participation are high. Therefore, safeguards and appropriate methods have to be put in place. Please click here...
