The IJJO electronic newsletter is a service created by the Observatory for its users and collaborators. In order to receive it by email every month, all you have to do is register as a user or collaborator.

IJJO DAY BY DAY

09/08/2016  EUROPE
The European Social Network tackles the rehabilitation and inclusion of young offenders

The IJJO took part in the workshop “Young offenders in Europe: Active inclusion and rehabilitation”, organised by the European Social Network (ESN) on the 11th and 12th of July in Athens, Greece. The workshop gathered more than 30 social services professionals from different levels of government, as well as academics from across Europe. [+]

The IJJO and the REDIM participate in the 4th EU-Mexico Civil Society Seminar on Human Rights

The International Juvenile Justice Observatory (IJJO) and the Child Rights Network in Mexico (known as REDIM by its Spanish acronym) – a member of the North American Council for Juvenile Justice – actively participated in the 4th EU-Mexico Civil Society (CSO) Seminar, which took place on the 20th of June in Brussels. The situation of children was one of the central themes of the seminar. [+]

Fair Trials International’s policy report on pre-trial detention in the EU

The IJJO attended an event held by Fair Trials International at the European Parliament last May, for the launch of their new report ‘A Measure of Last Resort? The practice of pre-trial detention decision-making in the EU’, which shows the extent to which pre-trial detention is being used all over the EU without adequate justification. [+]

Iran: Execution of teenager contrary to international law

Despite being a member of the Convention on the Rights of the Child, on the 18th July Iran executed a teenager by hanging for the rape of another boy. This execution shows yet again Iran’s disregard for the international standards of the United Nations. Amnesty International, which regularly carries out research on juveniles in death row in Iran, denounced the execution on its website. [+]

03/08/2016  INTERNATIONAL
The World Health Organization launches seven strategies to end violence against children

The World Health Organization and partners launched on July 12 seven interlinked strategies to reduce violence against children. The approaches have all been tested and all have shown concrete results. By bringing them together, WHO hopes to dramatically reduce instances of violence against children. [+]

21/07/2016  EUROPE
The Council of the European Union tackles violence against children in its annual report on human rights and democracy

In June, the Council of the European Union released its ‘Annual report on human rights and democracy in the world in 2015’ highlighting key challenges being faced at both the European and global levels. The report provides explanations of the EU’s approaches to conflicts, human rights issues and challenges to democracy through its external policies and international cooperation in… [+]

LEGISLATIVE FILE

ANDORRA
The aim of the legislative file is to provide IJJO Users with access to national legislation on minors in an ordered and organised way, including all laws in force, partial reforms and other laws regarding the protection of the rights of the child. [+]

Survey: Child Participation in Training Seminars for Adults

Children's experience can be very valuable for adults during training sessions on child-friendly justice, but the risks of their participation are high. Therefore, safeguards and appropriate methods have to be put in place. Please click here...
