AFRICA
UNDP study examines the factors driving young Africans towards violent extremism
IJJJO
Deprivation and marginalisation, underpinned by weak state governance, are the primary forces driving young Africans towards violent extremism, according to a comprehensive new study by the United Nations Development Programme (UNDP), presented in Brussels on the 23rd of October. [+]

25/10/2017
AFRICA
South Africa reforms legislation to ban corporal punishment of children in the home
IJJJO
South Gauteng High Court ruled on the 19th October that ‘reasonable chastisement’ in the home is not in line with the South African Constitution, meaning parents can no longer use this as a legal special defence if accused of violently disciplining their children. [+]

NORTH AMERICA
US study details states reforms to limit youth exposure to the adult criminal justice system
IJJJO
The latest report from the Campaign for Youth Justice (CFYJ) examines US legislative achievements reducing the number of young people under the age of 18 prosecuted, tried, and incarcerated in the adult criminal justice system. [+]

LEGISLATIVE FILE

ECUADOR
The aim of the legislative file is to provide IJJO Users with access to national legislation on minors in an ordered and organised way, including all laws in force, partial reforms and other laws regarding the protection of the rights of the child. [+]

IJJJO INTERVIEWS

AUSTRALIA
Wendy O’Brien, Senior Lecturer in Criminology, Deakin University
Dr Wendy O’Brien is a criminologist with research expertise on violence against children, children’s rights, and children’s access to justice. With a sustained focus on the legal and therapeutic responses to children in conflict with the law, Wendy’s research comprises both legal scholarship and research on the practical implementation of public policy - including evaluation of social sector service delivery to children. Wendy has provided expert evidence to a number of child

RESEARCH AND THESIS

INTERNATIONAL
According to our main activities and objectives, the International Juvenile Justice Observatory wants to give the opportunity to researchers and PHD Students to have access to our international communication platform.

To publish on our web site your thesis, research papers regarding juvenile justice and the situation of minors in conflict with the law, please press the following link. [+]
**COLLABORATION FORUM**

**Survey: Youth Radicalisation in Europe**

Responses will form part of a regional overview that will serve to assess the current situation of radicalisation in the 28 EU Member States, with particular emphasis on radicalisation of children and young adults. Radicalisation is understood ...
