**Ecuador**

The aim of the legislative file is to offer the IJJO Users all national legislations on minors in an ordered and organised way, including all laws in force, the partial reform laws as well as other laws regarding the protection of the rights of the child.

**India**

Mr. Vijay Hansaria analyses the legal situation and legal context of young offenders in India after the recent legislative reform. In this way he sets out the monitoring mechanisms in order to strengthen the justice system of minors and the adopted measures that favor legal assistance for minors in conflict with the law in India.

**Collaboration Forum**

The existence of indicators in juvenile justice is a key to evaluate and address the juvenile justice systems in Europe, in order to guarantee that all children in conflict with the law, have correct and fair assistance at all time, and the international standards are respected. The biggest challenge for the development of indicators is the huge diversity of the systems in Europe and the different methodologies used to address the issues. What should be taken into account to create common and regional indicators in juvenile justice?

**Job & Internship Database**
