## JUVENILE JUSTICE IN THE WORLD

26/02/2018

INTERNATIONAL

**Plan International launches report and website to strengthen girls' rights in international law**

IJJO

On 8th February, Plan International launched an in-depth study into the status of girls' rights in international law, titled 'Girls' Rights are Human Rights', which makes recommendations regarding the protection and advancing of these rights. This organisation has also published a website, the Girls' Rights Platform, which is designed to be a wide-ranging online resource...

26/02/2018

INTERNATIONAL

**New report questions the importance of ideology as a motivator for child recruitment into extremist groups**

IJJO

On 12th February the United Nations University (UNU), a UN think tank, published 'Cradled by Conflict: Child Involvement with Armed Groups in Contemporary Conflict', a new report based on original field research on three conflict case studies. This report argues that counter-terror efforts based on...

EUROPE

**The UN Committee on the Rights of the Child calls for EU-wide ban on child immigration detention**

IJJO

Ahead of a key meeting of EU institutions and Member States on issues relating to migration and asylum, on 21st February the UN Committee on the Rights of the Child (CRC) urged European countries to end the detention of children in the context of migration. EU law currently stipulates that migrant and asylum-seeking children may be placed in detention, as a last resort, if it is in their best interests.

## LEGISLATIVE FILE

PORTUGAL

The aim of the legislative file is to provide IJJO Users with access to national legislation on minors in an ordered and organised way, including all laws in force, partial reforms and other laws regarding the protection of the rights of the child.

## IJJO INTERVIEWS

SPAIN

## RESEARCH AND THESIS

INTERNATIONAL

RESEARCH AND THESIS

According to our main activities and objectives, the International Juvenile Justice Observatory wants to give the opportunity to researchers and PHD Students to have access to our international communication platform.

To publish on our web site your thesis, research papers regarding juvenile justice and the situation of minors in conflict with the law, please press the following link.

principal researcher for various European, national and regional projects. Her main areas of research are juvenile justice, trends in crime and public perception of crime; specifically, she is interested in the study of fear with regard to crime and public attitudes towards criminal justice and juvenile punishment. From 2013 to 2016, she was president of the Spanish Society of Criminological Research, and she continues to be involved with the society, contributing to the development of this discipline in Spain.
