Police training on child rights and child protection: lessons learned and manual

16/06/2005

IJJO / International Juvenile Justice Observatory

International - The IJJO would like to inform you the "Police training on child rights and child protection: lessons learned and manual", has been already published on March 2005 by Consortium for street children. This project was developed in response to international demand for improved information on police training in order to reduce human rights violations against street children.
