### Against the Odds: An investigation comparing the lives of children on either side of Britain's housing divide

18/01/2007

*IJJO / International Juvenile Justice Observatory*  
.....

**National, United Kingdom** - The International Juvenile Justice Observatory informs you about the publication of a research elaborated by the organization 'Shelter'. It analyzes the gap between different home categories, as well as, the living conditions of British children.

This report describes the poverty situation of one in seven children in the UK. It also studies how many children are suffering pshychological, social, health and

educational problems caused by bad housing.
