### La justice pénale des mineurs en Europe: Entre modèle Welfare et inflexions néo-libérales

07/06/2007

*IJJO / International Juvenile Justice Observatory*

**Europe, Region** - Francis Bailleau has published, in collaboration with Yves Cartuyvels, the book 'La justice pénale des mineurs en

Europe: Entre modèle Welfare et inflexions néo-libérales'.

This book studies the fact that in most of the European countries, the traditional social preventive policies of the management of juvenile justice (Welfare) are being questioned. Nevertheless, the neo-liberal ideology gains force proposing a new paradigm marked by the resurrection of the punitivity, the accumulation of control and intervention devices.

## Research and Thesis

30/05/2007

*IJJO / International Juvenile Justice Observatory*

**International** - The International Juvenile Justice Observatory (IJJO) informs you about the creation of a new section in the area 'Documentation Centre' called 'Research and Thesis'.

Due to the fact that most of the research done by PhD Students does not have the opportunity to be published on a large scale, we want to offer Researchers and PhD students the possibility to access our international communication platform and publish their work on the IJJO Website, on recommendation of their professor-tutor.
