'Expert NGO' of the European Forum for the Rights of the Child for the European Union

24/12/2008

IJJO / International Juvenile Justice Observatory

European Union - The International Juvenile Justice Observatory has been recognised as an 'Expert NGO' of the European Forum for the Rights of the Child for the European Union.

Through the creation of the NGO Forum, the European Commission works to elaborate a common strategy on the Rights of the Child, particularly regarding the subjects related to violence against children, discrimination and social exclusion.

During the third meeting of the European Forum organised by the Directorate General Justice, Freedom and Security in Brussels last December 2008, the Vice-chairman of the European Commission, Jacques Barrot, presented the recent developments concerning child protection and the promotion of the Rights of the Child in the Members States.

France. Juvenile Justice System reform

12/12/2008

IJJO / International Juvenile Justice Observatory

National, France - Lowering the age of criminal responsibility at 12 years old, is one of the propositions of the report that was handed over by the Varinard Commission for the juvenile justice reform in France to Rachida Dati, Minister of Justice of France, on Wednesday 3rd of December 2008.

As a reaction to this report, Mrs. Dominique Versini, Child Ombudswoman, presents her recommendations to the IJJO Users and Collaborators as well as a series of press releases, reports and articles on the reform of the Organic Law of February 12th 1945 on child delinquency.

Changing Course: A Review of the First Two Years of Drug Transfer Reform in Illinois

04/12/2008

IJJO / International Juvenile Justice Observatory

National, United States - Today, as many as 200,000 youth per year are tried in adult courts in the USA. Concerning the researchs, for the same type of offense and with similar prior records, indicates that 'transferred children' commit more violent crimes as a result of their experience in the adult justice system.

The IJJO within its mission on promoting and specific juvenile justice system and adapted to juveniles, we would like to highlight this report which analyzes the transferred children situation in United States and more specifically in Illinois.

RESEARCH AND THESIS

According to our main activities and objectives, the International Juvenile Justice Observatory wants to give the opportunity to researchers and PHD Students to have access to our international communication platform.

To publish on our web site your thesis, research papers regarding juvenile justice and the situation of minors in conflict with the law, please press the following link.

JOB & INTERNSHIP DATABASE

The Job and Internship database **informs about the latest job and internship offers** sent by organisations related to Juvenile Justice; our purpose is to facilitate the gathering of people and organizations that are involved in the juvenile justice field.

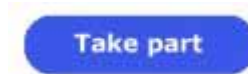

The Job and Internship database offers a virtual space to organizations related to Juvenile Justice where they **can publish their job and internship offers**. If your organisation wishes to publish a job offer, please click on the following link and fill out the document.

COLLABORATION FORUM

The application of restorative justice in the world

In order to provide the IJJO users and collaborators with an updated map of the application of restorative justice in the world, we invite you to collaborate by indicating the ratio of the cases where restorative justice measures are applied in the national juvenile justice systems.

You can collaborate and **send us your data** with references and sources through the **IJJO Forum**.
