COLLABORATION FORUM

The relationships established between the children and the media have acquired in recent years a major role. According to recent reports, the media do not always contribute to generating comprehensive views on the situation of minors, especially children in conflict with the law, and sometimes giving a limited view of the complexity situation of youngsters in conflict with the law.

What image the media communicate about young offenders?

JOB & INTERNSHIP DATABASE

The Job and Internship database informs about the latest job and internship offers sent by organisations related to Juvenile Justice; our purpose is to facilitate the gathering of people and organizations that are involved in the juvenile justice field.

The Job and Internship database offers a virtual space to organizations related to Juvenile Justice where they can publish their job and internship offers. If your organisation wishes to publish a job offer, please click on the following link and fill out the document.
