RESEARCH AND THESIS

INTERNACIONAL

RESEARCH AND THESIS

According to our main activities and objectives, the International Juvenile Justice Observatory wants to give the opportunity to researchers and PHD Students to have access to our

presents one of the main outputs of the MHYO Project 'European Comparative Analysis and Knowledge Transfer of Mental Health Resources for Young Offenders', Volume II: Manual for improving professional knowledge, skills and developing advocacy programme undertaken and coordinated by the IJO and supported by European Commission. In this context, she gives an overview of the adequate training that professionals who work with mentally ill juvenile offenders should receive in order to improve professional knowledge and skills as well as she suggests the most important recommendations that states should implement in order to improve the situation of young offenders suffering from mental health problems. [+]

SEND THESIS / RESEARCH

students to have access to our international communication platform.

To publish on our web site your thesis, research papers regarding juvenile justice and the situation of minors in conflict with the law, please press the following link. [+]

COLLABORATION FORUM

Riesgo de violencia contra los niños dentro del sistema de justicia juvenil / Risk of violence against children ...

Los niños en contacto con el sistema de justicia juvenil, y en particular los que se encuentra en custodia o detención, son vulnerables y pueden ser víctimas de violencia. Es en este sentido, en el que por un lado, ...
